Wed, Dec 21: 6th and 7th Period Finals (Dismissal @ 10:15)

Change in Faculty Retreat

Due to a scheduling conflict with our presenter, the faculty retreat has moved from Monday, Jan 30 to Monday, Feb 6. Helias WILL HAVE school on Monday, Jan 30.

Advent reminds us all each season to remember we are preparing for the birth of our Lord, Jesus Christ. During a busy season of activities, gift giving, concerts, and preparation I hope you and your family have time to prepare your hearts for the Christ the King. I've provided a list of places to find great Advent resources for your student, family, or even yourself.

"Best Advent Ever" sends you a daily Advent reflection video that is about 2-3 minutes. I've subscribed and watch it each morning to prepare for the day. <http://dynamiccatholic.com/best-advent-ever/category/advent-2016/>

"Creighton University Online Ministries" provides daily readings and prayer reflections for each day of the Advent season. Excellent for family prayer time. - <http://onlineministries.creighton.edu/CollaborativeMinistry/Advent/>

"SLU Advent Blog" helps make Advent relevant to college students, thus appealing to high school age students as well. <http://adventatslu.blogspot.com/>

January 2

Career Day 2016

Thanks to the work of Mr. Mathes and Mrs. Flowers for organizing Career Day 2016. Our students heard from a variety of local industry professionals in human resources, business, health care, engineering, media, and community services. The number one skill mentioned as vital by all speakers was the ability to communicate well in face to face interactions as well through writing. Employers recruit and hire people with "people skills!"

ACT Question of the Week

If seven green M & M's, five red M & M's, and eight yellow M & M's are placed in a bag, what is the probability that Eric randomly chooses either a green or a yellow M & M?

- A. 1/4
- B. 7/20
- C. 2/5
- D. 13/20
- E. 3/4
